Argus C-3
...your All-Weather Camera!
Good subjects for good pictures won't wait on the weather. You have to take 'em as they come — rain or shine. If you want finer photos all the time, in all kinds of weather, under every light condition, start clicking with Argus C-3.
F3.5 lens is fast, coated, corrected for brilliant color. Coupled split-field range finder assures precision focus. Shutter speeds: 1/10 to 1/300. Synchronized flash just plugs in for your night or indoor shots.
Ask your favorite Argus dealer for Argus C-3 today.
